

Kiawah By Owner

It's not too late to plan your Kiawah vacation!

Sandcastles

Kiawah's wide beaches are perfect for building sandcastles, biking, or playing bocce ball. There is a reason Kiawah has the honor of being ranked 5th Best Beach in the US by Dr. Beach! *Remember that metal shovels are not allowed. Be sure to fill in any holes made at the end of the day. We want to keep our beaches pristine and protect all of Kiawah's treasured wildlife, especially nesting sea turtles.*

Atlantic Bottlenose Dolphins

Many Kiawah visitors love spotting the Atlantic Bottlenose Dolphins when they are strand feeding. They can frequently be spotted near Captain Sam's Inlet, located on western edge of Kiawah Island. The best time to see them is around 2 hours before or after a low tide. These dolphins are unique as strand feeding is seen only in a few places around the world.
